Downtown Gloversville

Place Focused, People Led

FULTON COUNTY CENTER FOR REGIONAL GROWTH

Welcome to Downtown Gloversville!

The City of Gloversville and the Fulton County Center for Regional Growth are proud to present the Downtown Business Guide! This walking guide showcases opportunities to enjoy your day in Downtown Gloversville from shopping to eating, to music and theater, from spa days and hair care, to cooking classes and yoga, from biking the FJ&G Rail Trail to taking the Historic Downtown Self-Guided Tour, to so much more!

While here, learn more about the story of Downtown Gloversville as it is deeply ingrained in the City's history as an industrial town. Gloversville grew from a tiny frontier village formerly known as Kingsboro (now the Kingsboro Historic District) in the 1810s to a booming industrial city of roughly 30,000 people in the early 20th century. Until the early 1960s, it produced up to 90 percent of the leather dress gloves in North America, with over 13,000 people employed in the leather and glove industries and related enterprises. Today, Downtown Gloversville embraces its impressive past while enacting positive and transformative change to pave the way for the future.

We hope you enjoy your time in Downtown Gloversville!
